

Tape Cap Compact Tape Dispenser

Perfect for masking and painter's tape

- Quickly cuts and releases tape
- Makes straight cuts for masking corners
- Keeps tape at your fingertips—no more searching and scratching for the end of the tape!
- For painters, artists and crafters
- Saves time, saves tape, saves money

For 1", 1 1/2" and 2" masking and painter's tape

Individually carded and packed in a counter display merchandiser for quick impulse sales.

Tape Cap is a handy tape dispenser that fits right on the tape roll. Simply insert the tape through the Tape Cap dispenser, place thumb on Tape Cap and pull out the desired length of tape. Cut tape by pulling down against the cutting edge. Simple! Makes a great counter display item or hang card next to the tape display.
